Why vote for Tony Long?

Almost six years of experience. Strong governance. A clear focus on members.

I joined the BankVic Board almost six years ago.

Since then, I've helped guide BankVic through **strong growth, modernisation and change** — while keeping members at the centre of what we do.

STRONG GROWTH

BankVic has grown to **almost \$4 billion in assets** while strengthening its capital position.

BETTER MEMBER VALUE

I've supported **responsible lending, competitive pricing and practical member value**, helping thousands of members into home ownership.

MODERN DIGITAL BANKING

BankVic has invested in a **new website and app, upgraded internet banking, digital wallets and stronger cyber-security.**

RECOGNISED VALUE

BankVic home loans have received independent **Canstar Outstanding Value** and **Mozo Expert Choice** awards.

SUPPORTING OUR COMMUNITY

I support a member-owned bank serving **police, emergency services and healthcare workers**, with programs that have reached **more than 37,000 people.**

STRONG, STEADY GOVERNANCE

BankVic needs an experienced, focused and collegiate Board that can continue to evolve while staying true to its purpose:

BankVic — where members matter.

I'm committed to providing **continuity, experience and a strong member voice** around the Board table.

Voting is open from:

0001hrs on **8 September 2026**
